

## 0.03-3mm Brass Foil Roll / Coil / Foils H70 H68 H65 H62 C2600 C2680 GB UNS JIS

### Our Product Introduction

for more products please visit us on [brassbronzecasting.com](http://brassbronzecasting.com)

#### Basic Information

- Place of Origin: China
- Brand Name: TSTY
- Certification: ISO 9000, Rohs
- Model Number: Accordingly
- Minimum Order Quantity: 300-3000KG
- Price: USD/EURO/RMB
- Packaging Details: Standard export package
- Delivery Time: 2-4 Weeks
- Payment Terms: L/C, T/T
- Supply Ability: 3,000 MT/per month

#### Product Specification

- Material: Brass
- Dimension: Customized
- Shape: Coil/Foil
- Standard: UNS JIS, En, GB, Etc
- Application: Terminals, Automobile Radiator, Hardware, Button, Decoration Materials, Machine Components, ect.
- Highlight: **copper metal strips, bronze foil roll**

| Length                | customized                                                                                                                                                                                                                                                  |
| Temper                | O, 1/4H, 1/2H, H,EH, SH                                                                                                                                                                                                                                     |
| Finish                | Bright, Plating,etc                                                                                                                                                                                                                                         |
| Inspection Equipments | Chemical composition analysis: Spectrometer<br>Conductivity test, Mechenic property test: Hardness, tensile strength, Elongation,Straightness.                                                                                                              |
| Application           | 1) Power supply: transformer, Distribution Cabinet, Swith, etc;<br>2) Electric Industry: Terminal, connector, lead frame;<br>3) Decoration: zipper<br>4) Military: bullet<br>5) Auto: Electric car charging parts, heat sink<br>6) Machinery: Bearing, etc. |
| Advantages            | 1) Good stamping performance,<br>2) Strict dimension control,<br>3) Great mechanical properties,<br>4) Strong corrosion resistance.<br>5) Superior Finish                                                                                                   |
| MOQ                   | 300KG-3000KG                                                                                                                                                                                                                                                |
| Sampe requested       | Yes                                                                                                                                                                                                                                                         |
| Price Term            | Ex-works, FOB,CIF, etc                                                                                                                                                                                                                                      |

### Company Information

1. The subsidiary company of Shanghai Tianshen Copper (Group) Co., Ltd.
2. Established in August 1992 with over 400 staff.
3. Annual output: over 15,000,000 sets; annual output value:400,000,000 RMB.
4. Main products: brass valves, gas valves, heating equipments and sanitary wares, water meters and various kinds of pipe fittings.
5. Our Valves have passed three management system certificates such as ISO9001, ISO14001 and WRAS certificate

#### COMPANY INTRODUCTION

Shanghai Tianshen Copper Group Co., Ltd, established in 1992, is a professional manufacturer for copper materials and parts. With the development of 25 years, Tianshen has set up two facilities in Shanghai and Zhejiang as the manufacture base. By adoption of the advanced and automatic equipments, Tianshen focuses on providing high quality products throughout various industries, such as faucet, water meter, valve, plumbing, power, connector etc. With the high quality, excellent service and competitive price, Tianshen has become long-term strategic suppliers for many well-known brands all over the world.

#### OUR PROCESS

Gravity casting  
Centrifugal casting  
Continuous casting / Extrusion

Automatic sand casting  
Hot forging  
Machining

#### OUR ADVANTAGES:

Comprehensive manufacture process from raw material to finished parts  
--Devoted to whole process control and continuous improvements  
Well equipped with modern devices and professional personnel  
--Share advanced technology and experience  
Multiple ways of production process from casting to forging  
--Meet various needs of clients  
Long-term partnership with top international companies  
-----Stay competitive and focus on excellence

#### MAIN PRODUCTS

|                                   |                                    |
|-----------------------------------|------------------------------------|
| Water meters and couplings        | Valves and fittings                |
| OEM Brass/Bronze/ Lead free parts | ETP Copper Bus bar                 |
| Brass/Bronze/ Lead free Ingots    | Brass/Bronze/ Lead free Rods       |
| Brass/Bronze/ Copper Coils/Strips | Brass/Bronze/ Copper Sheets/Plates |
